Night snow run

Medical certificate for sports for foreign athletes living abroad ( for the competitive race only )

To make sure that we treat all the certificates sent from different countries correctly, it is compulsory to use this form, no other will be accepted. This medical certificate has to be filled in, dated and signed by the doctor, who usually stamps it or specifies his professional number. The certificate must be issued within a year from the day of the race. This certificate must be uploaded on the race registration personal account (you will get the instructions after signing up) or handed at the bib collection point the day of the race.

Failing to provide the medical certificate will automatically place the athlete in the non-competitive race with no right to any fee refund.
